## Summerfields £129950

**SOLD**

**Built by Ian Lambley  
2021 - 60ft - Cruiser Stern  
Widebeam boat lying at Mercia Marina**

Summerfields is a truly stunning wide beam, bespoke built and incorporating some fresh ideas in the layout. From the sociable cruiser stern you enter the galley of this reverse style boat. The galley is of a high specification with a full range of appliances, including dishwasher, washing machine and the all important wine cooler. The saloon is open plan with a central passage way off which leads to the forward bedroom, but before that there is a bathroom either side one with a shower, macerator toilet and sink in a vanity unit. On the opposite side of the boat is another bathroom, this time with a spa bath which you can lie back and watch the bulkhead mounted TV. The forward bedroom as with the rest of the boat is beautifully crafted with an abundance of storage in the way of wardrobes and drawer units. Steel work completed 2018, fitout completed 2021.
