Colecraft 2018 - 65ft - Cruiser Stern Narrowbeam boat lying at Dunchurch Pools Marina

Riverside is a very special 65' Cruiser stern narrowboat. The bespoke interior fitout was completed by Aqua Narrowboats on a shell supplied by the well respected Colecraft. From the moment you step onto the stern with its Tek Deck flooring and enclosed stern with seating you get the sense of quality and style. Once inside the boat you're presented with something much different both in the materials used and in the way the wood work has been executed. The galley with its gloss fronted doors with lighting under the granite work tops has a breakfast bar at the far end. The saloon is a relaxing area with its diesel reflex stove set in a back lit tiled fireplace. Dining cabin converts to a double berth. The bathroom is a walk through with obscured privacy glass privacy doors either side. The forward bedroom has a cross bed, wardrobes with smoked glass doors and dressing table.
