Kingfisher £39950

Durham Steelcraft 2000 - 59ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Kingfisher has a lot of potential which could still be exploited. Its rare to find a 2 bedroom boat which this is. There is always the option to remove one of the beds to create a utility area or office space to work from. At the stern there is also a good size cabin housing the engine and all services. From the bow there is large saloon area with a 3 seater sofa bed and multi fuel stove set in a tiled fireplace. The galley is a good size with ample work tops. Then follows the first of 2 bedrooms at present both beds are large singles, but could be easily made into doubles. The bathroom is a walk through with macerator toilet, sink in vanity unit and shower cubicle, the second bedroom follows , followed by the engine room compartment. This boat has recently failed a survey, please call for more details.
