Collingwood Boat Builders 2020 - 65ft - Cruiser Stern Widebeam boat lying at Mercia Marina

This luxury Hoxton widebeam with its reclaimed interior styling was commissioned in 2020 and offers the purchaser the opportunity to buy an as new boat now rather than waiting for a new build. The Hoxton has a very different feel to any other widebeam you may have been on, with its industrial feel and Scandinavian influences. The interior is a mixture of reclaimed wood and painted veneer panels.

The exterior of the boat has a wrap around bow enabling the full use of cabin space, this enables us to put a full size bedroom at the bow. From the galley with its full range of appliances, and modern units with quartz work tops to the very special bathroom with tiled floor, roll top bath and full size shower cubicle, there is a real wow factor. This boat has had very little use and needs to be viewed to be fully appreciated.
