Sagar 1990 - 57ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Thetis has been a much loved boat, built by Sagar Marine a well respected name, known for building distinctive, quality boats. The exterior paintwork is now in need of TLC, but the inside is still a nice place to be. In 2015 the present owners had the internal black tank taken out and replaced by a cassette toilet, other updating work was also done at the same time. The layout is traditional with the saloon accessed through steel, glazed stable doors. In the saloon is a Morso multi fuel stove, L shape seating area which will convert into extra sleeping. A hinged table provides somewhere to eat. The galley is a good size with all usual appliances. A set of side doors with steps provides an alternative entrance into the boat. Off corridor bathroom with cassette toilet, shower and sink in vanity unit. The bedroom has a cross bed or large extending arrangement, wardrobe & overhead cupboard.
