SOLD

Buffalo 2 £35950

Ron Turner 1991 - 56.4ft - Traditional Stern Narrowbeam boat - Outlying

Buffalo 2 is a good looking traditional style boat, being heavily built with the bow plate section being reported as 16mm with the remainder being 12mm. Buffalo 2 has a long shapely bow section allowing for a long well deck which has seating either side and good steps giving easy access into the boat. From the bow you enter the saloon which is a nice light area aided by large windows and white painted cabin sides. There is a multi fuel stove with back boiler which at present only heats a towel radiator in the bathroom, more radiators could be added. The galley is in a farmhouse style bespoke built in solid oak. Off corridor bathroom with shower, cassette toilet and sink in vanity unit. Bedroom with fixed double with storage under and wardrobe. At the stern is the engine room housing the 3 cylinder Lister and all services. Call Ian on 07799 858980 or the Mercia office to make an appointment.

Printed on 10th August 2021
