## Random Similar £89950

### **Harveys of Measham - Colecraft 2011 - 70ft - Traditional Stern Narrowbeam boat lying at Mercia Marina**

Random Similar is a great example of something a bit different, built very much with residential use in mind as well as comfortable cruising . You enter the bow from either side via a set of side door which drop you down into a passage way with the master bedroom situated at the front entered via a privacy door. Going the other way you enter the fully equipped galley with appliances including washing machine. Then follows a pullmans dinette which will double as an extra double berth . The saloon is a good size with a multi fuel stove with back boiler, dresser unit , TV and chairs. The bathroom is a walk through with cassette toilet, sink in vanity unit and shower cubicle. The second bedroom cabin has a fixed double with storage under, dressing table, wardrobe and TV. The engine room houses all services. This is a quality, bespoke boat, with some very nice wood work. Recent new paint work.
