## Hester Bule £21950

### **Unknown 1992 - 30ft - Traditional Stern Narrowbeam boat lying at Mercia Marina**

This really is a cracking little boat, lots of character, ideal for weekends and short holidays, yes she lacks some modern conveniences but there is scope to upgrade. The outside is in good order and the interior is bright and fresh. She gives the impression of a bigger boat with her purposeful bow. From the bow you enter the galley which comprises of a Plastimo gas cooker and Cool Zone fridge. The saloon area has a coal fire in a fireplace and side seating which will convert into a cross double, there is also a wardrobe. There is a toilet compartment with cassette toilet. There is room to create a larger bathroom which could incorporate a shower. The boat benefits from a Beta 3 cylinder engine which only has 78 hours on the clock. A perfect starter/weekend boat.
