Tayberg 1991 - 62ft - Traditional Stern Narrowbeam boat lying at Mercia Marina

Majestic is a boat I've passed many times over the years, always maintained to a very high standard and lived on by the same couple for 28 years. At 62' Majestic is a great length for a liveaboard, with her large forward saloon and L shape dinette giving a great living space. The galley is well laid out with a set of side doors opposite with steps and opening top hatch. The bathroom is off the passage way and has a 4' bath with shower over and new, unused cassette toilet. The bedroom is at the stern and has a fixed double bed with storage under. This boat is a great example of a well maintained livaboard boat, both externally and internally.
