Pro Build 2009 - 58.10ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Jasmine is an ideal family and friends boat, but could also be used as a residential boat. The living space is very flexible. For someone looking for an office the stern bedroom could easily be converted into an office or indeed a utility area. The exterior paintwork has been well cared for and is in excellent condition. A pram cover has recently been fitted. Entering from the bow you go into the saloon, followed by the galley. Next is the second bathroom with macerator toilet and sink in vanity unit. The main bedroom is next with a fixed double and wardrobe. The second & main bathroom has a macerator toilet, shower and sink in a vanity unit. The second bedroom cabin has a single bed at present with a long drawer unit opposite. As well as the Eberspacher heating there is also a diesel fired blown air heating system, you should never be cold on this boat.
