## **La Vida es Tranquila**

### **£67950**

### **Stephen Goldborough Boats**

### **2003 - 60ft - Traditional Stern**

### **Narrowbeam boat lying at Dunchurch Pools Marina**

This really is a lovely boat, maintained and cared for by her present owners who commissioned Stephen Goldborough to build her for them. Although this is essentially a trad boat, it has a large slide over the back giving the advantage of a secure trad stern but the feel of a semi trad when open. Entering from the bow the lockers in the well deck hold the gas bottles, making changing a bottle much easier. The saloon is entered through stable door, you are immediately impressed by the quality of the wood work which follows throughout the boat. The salon is a good size as is the galley housing all the normal appliances. The bathroom is a walk through and houses the full size washing machine. The generous bedroom has a large cross bed which could also be used as a conventional bed, again as with the rest of the boat storage abounds, along with quality. Great livaboard/extended cruising.
