**Aqualine
2020 - 68ft - Cruiser Stern
Widebeam boat lying at Mercia Marina**

Homily offers a great opportunity to purchase a 1 year old Aqualine Canterbury, built to a high specification for her present owner. The quality of the finish on this floating apartment boat has been something other builders have aspired to match. From the Explorer stern which is 2' longer than standard and has teak decking, folding table, wheel steering and pram cover you enter the well appointed galley which features a central island with a dining table. A good size saloon has a multi fuel stove and Velux roof panel, the TV is bulkhead mounted. The passage way off the saloon has units to the side as well as a desk. The bathroom has a full size shower, macerator toilet and sink in vanity unit. The bedroom has a unique feature in that it has a dressing room with drawer unit and wardrobes. This boat needs to be seen to be fully appreciated.
