**SOLD**

## Halls Well £94950

### **Tyler/Wilson 2019 - 57ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina**

Halls Well is a semi trad, reverse layout boat built by a well known local builder. The shell was built by the well respected Tyler Wilson and is easily recognisable from the stylish lines of the Josher style bow with false rivets. The stern is a very practical semi trad with seating either side with storage under. The interior of this boat will suit anybody looking for a extended cruising or residential boat with its light and airy feel due to the painted panels and roof, trimmed in light oak. The modern galley is entered from the stern with it's good range of appliances. L-shape dinette is great for dining as well as providing extra sleeping. Saloon with multi fuel stove and bespoke TV surround with shelves. Walkthrough bathroom with a very modern feel and forward bedroom with fixed double, under bed storage, wardrobe and dressing table.

*Printed on 7th February 2022*
