Symphony Boats 2022 - 60ft - Semi-cruiser Stern Narrowbeam boat lying at Mercia Marina

This stunning new creation from Symphony boats is sure to turn heads. From the stunning paint to the tinted windows with the glass on the cabin side creating the effect of one long tinted window down each side. Another feature is the Tec Dek on the stern as well as in the well deck area at the bow. The layout is the now familiar reverse layout with a modern galley with breakfast bar, the work tops are quartz. Drawers and cupboards are a plenty, great storage. The saloon has a TV in a cabinet built in under the gunwale, Reflex diesel stove and a useful shelf unit. Fabulous bathroom, a feature on Symphony boats with large vanity unit, shower and Thetford cassette toilet. The bedroom has a fixed double with drawers under, wardrobe and dressing table. If your looking for a boat with a fresh uncluttered feel look no further than this new boat. Can also be viewed at the Crick Boat Show.
