Evans & Son
1998 - 57ft - Traditional Stern
Narrowbeam boat lying at Dunchurch Pools Marina

Matilda is a lovely example of a well maintained family boat, ideal for residential use or holiday & weekends. Evans & Sons were one on of the first builders to build boats with recessed panels as well as producing a Josher style bow with false rivets. The layout is traditional with a cosy saloon at the front with a multi fuel stove , book shelves and 2 chairs. The galley has a Vanette cooker and 12v Fridge. A great feature on this boat is the dinning cabin which can be used as somewhere to eat or work from ,or left as a bedroom. The bathroom is off corridor and has a 4' bath with shower over, pumpout toilet and sink in vanity unit. The bedroom is at the stern with 4' double bed on casters with drawers under, wardrobe and overhead cupboard. At the stern is the engine compartment housing the inverter , batteries and galvanic isolator. Nice boat, call Ian for more details 07799 858980
