Peter Nicholls
1986 - 49ft - Traditional Stern
Narrowbeam boat lying at Hanbury Marina

Very nice 49ft Trad stern narrowboat, built by quality builder Peter Nicholls. Still owned by her original owner, Triton has a beautiful shape with a 10ft open front well deck & brass port holes throughout. Entering through fully glazed bow doors, the first thing you notice is the excellent woodwork with red ply below gunwales and solid T&G Iroko above. The forward galley has lots of low level storage, coloured moulded sink/drainer, hob with oven/grill below, extractor, fridge, laminate worktops and a half dinette which converts to a single berth. The saloon feels very spacious with a pullout double and narrow under gunwale cupboards. The bathroom has a sit in shower/bath, vanity unit with washbasin and cassette toilet. The aft cabin has L shaped dinette with storage drawers under and even more under gunwale cupboards, before leading out onto the stern deck.

Printed on 19th October 2022. Call to arrange a viewing.
