Ricochet Narrowboats / Liverpool Boats 2009 - 58ft - Cruiser Stern Narrowbeam boat lying at Mercia Marina

Missy Moo is a high quality , bespoke built boat with the advantage of having a lift built in for disabled/mobility issues or simply ease of getting heavy items in,although you would never realise it due to the way the boat has been built, this also offers the benefit of a large opening slide, no excuse for bumping your head as you enter the saloon!. The saloon as with the rest of the boat has a very light feel. The layout is reverse, but offers the advantage of having the saloon at the stern followed by an L shaped dinette which will convert into a double bed. There is also a fold down child's bed. The galley is well laid out and includes a washing machine and microwave. The bathroom is a walk through with a bath with shower over, Thetford cassette toilet and sink in vanity. The bedroom has a cross bed , wardrobe and small dressing table. New engine mounts fitted Nov 2022.

Printed on 23rd February 2023
