GT Narrowboats
1991 - 60ft - Semi-traditional Stern
Narrowbeam boat lying at Mercia Marina

Joker has been used as a share boat and has a fascinating full maintenance record in diary form, starting from 1992. The layout is traditional with the saloon at the front which has a multi fuel stove with back boiler to one side of the bow doors and a TV cupboard on the opposite side. Included in the sale are 2 leather chairs. There is a pullmans dinette with a drop down back giving further seating facing into the saloon, as well as giving extra length when using the dinette as a bed. The galley has a Vanette cooker ,LEC fridge and microwave. The bathroom is off corridor and has a 4' bath with shower over, Mansfield pumpout toilet and sink in vanity unit. The bedroom has a fixed double bed with storage under, wardrobe and overhead cupboard. Unusually there is a wash basin in a vanity unit at the foot of the bed. Survey recently failed, steel work to be done, call for more details.
