Severn Valley Boats
2008 - 57ft - Traditional Stern
Narrowbeam boat lying at Dunchurch Pools Marina

Pyxis is a well cared for traditional stern narrowboat built by Severn Valley Boats. Throughout the boat the woodwork is to a high standard with many features. From the covered bow you enter the saloon through a pair nicely varnished glazed doors. The salon has a multi fuel stove, TV cabinet and shelving. Into the galley which is U shaped with ample cupboards and work tops, a nice feature is the ceiling hung cupboards with glass panelled doors. A real feature of this boat is the dining cabin, ideal for dining or as office space, or using as a bedroom for guests. Opposite the dining table are a set of side doors. The bathroom is off corridor and has a shower, sink in a vanity unit and the neatly housed washing machine. The bedroom has an extending bed with drawers under, overhead cupboards and wardrobes.
