## Summerwind £49950

### **Bridgewater Boat Builders 2001 - 58ft - Dutch Barge Style Stern Narrowbeam boat lying at Droitwich Spa Marina**

Summerwind is a 58' centre cockpit narrowboat. This design of boat has much to offer, providing great livaboard accommodation with no wasted space. The wheelhouse, which is of a steel construction and designed to fold down for hassle free cruising is the perfect way to enter the boat for those not wanting to step down into a well deck. To the stern is the bedroom with a cross bed with space under for storage, there is also a large chest of drawers. Going forward from the wheelhouse the bathroom is off the corridor and has a shower, macerator toilet and sink in vanity unit. The galley has a good range of appliances including microwave and a recently fitted new fridge. There is a set of side doors either side of the galley. The saloon is a good size and has a single sofa chair and 2 seater sofa. Although there is not multi fuel stove in the main cabin, there is room to fit one if required.
