Tyler / Wilson - Fernwood 2012 - 58ft - Semi-traditional Stern Narrowbeam boat lying at Mercia Marina

One Vision is the perfect combination of two of the most respected names in the boat building business, Tyler Wilson & Fernwood. The boat shouts quality throughout with the normal Fernwood touches. From the stable bow doors, always a nice feature, you enter the saloon with its bespoke sofa with foot stools neatly built in. On the opposite side is a built in TV cabinet. The steps into the saloon are a feature in themselves. The pullmans dinette provides dining as well as an extra double berth for guests. The back rest on the salon side lifts out to provide extra forward seating as well as giving good leg room when used as a bed. The galley is well equipped with washing machine and microwave. The bathroom is a walk through with frosted glass doors either end. The bedroom has an electrically assisted cross bed, wardrobes and overhead cupboards. To many features to list, please call to view.
