Wanderer £110950

HT Fabrications 2021 - 57ft - Cruiser Stern Narrowbeam boat lying at Mercia

This very special boat is for someone who is looking for something different, something far away from the conventional layouts most commonly seen, that also goes for the materials used. Wanderer has been spec'd for serious cruising and not to be hooked as demonstrated by the very robust battery bank and solar panels. A striking feature is the way the roof extends over the well deck giving the feel of another room. All deck areas are covered by a Tec deck style of covering. In the saloon area a set floor to ceiling fins create a divide between the saloon and bedroom / day area. Another nice feature is the tilt and turn door at the bow which is double glazed as is the portholes. Other features include Smart Mood Lighting throughout, WIFI and Bluetooth as well as a boiling tap in the galley. Viewing highly recommended, please call for more details, and details on how to view.

Printed on 17th February 2024

Wanderer
