Vesta £44950

Harland & Wolf 1935 - 40ft - Traditional Stern Narrowbeam boat lying at Mercia

Vesta started life as a full length motorboat in 1935, built by Harland and Wolff and known as a star class boat. In 1947 she was shortened to her present length of 40' by Stewart & Lloyds.

Her present owner who is well known to us has had a relationship with the boat for over 20 years and in that time has kept the boat maintained to the highest standard to include a new bottom plate and engine and gearbox rebuild. Survey report from 2009 available to view.

Call Ian for more details . Viewing strictly by appointment.
