**Roger Farrington**  
**2002 - 60ft - Traditional Stern**  
**Narrowbeam boat lying at Dunchurch Pools Marina**

Zephyr is a 60' trad stern, tug style boat, with steel work by the well respected Roger Farrington of Ivy Bridge Marine and a very professional fit out in beech and oak by the first owner. Although Zephyr is 60' she has the feel of a bigger boat due in part to the bow cabin which typifies the quality throughout the boat. Between the main cabin and the bow cabin is the covered hold area with concertina doors either side and removable panels, this is a great sociable area or possible work space for a trader. The main cabin area consists of the galley with bespoke units, a comfortable saloon, engine room housing the well maintained 2 cylinder Lister JK2M, and lastly the very usable boatman's cabin which has a fixed double bed as well as the normal back cabin stove and drop down table. This really is a very special boat full of interest and character.
