## Boat with No Name £25950

**SOLD**

### **Not able to confirm 1984 - 59.11ft - Traditional Stern Narrowbeam boat lying at Droitwich Spa Marina**

The Boat With No Name is an ideal livaboard boat with a slightly different traditional layout as the galley is at the front. At just short of 60' the space is ideal for comfortable living. From the bow you enter the galley with a run of units either side. Appliances include a fridge / freezer along with a separate drinks fridge, toaster and microwave. There is a spot with plumbing for a washing machine. The saloon is a good size and has 2 settees, a multi fuel stove and wall mounted TV. There is room in the saloon to create a dining area. The bathroom is off corridor with a cassette toilet, shower and sink in a vanity unit. The bedroom takes up the full width at the back of the boat, creating a private room. Much money spent recently on new batteries and alternator. New engine and stern gear including Python drive fitted 2013. Inverter and charger new 2021. Price reduced due to poor survey
