**S.M.Hudson
2010 - 62ft - Traditional Stern
Narrowbeam boat lying at Mercia Marina**

We have here a fine example of a Hudson boat, one of the most respected names on the waterways.

The shape is unmistakable with Josha style bow with false rivets and up sweep at the stern. From the well deck you enter the saloon where the quality of the wood work is immediately evident. There is an L shape dinette which will convert for sleeping, TV cabinet and book shelves. The galley has a good amount of storage in the way of floor units & wall units, once again the quality of the craftsmanship is evident. Moving into the bedroom which has a fixed double bed with storage under, wardrobes, overhead cupboard and dressing table. The bathroom has pumpout toilet, sink in vanity unit, wall cupboard and shower. The engine room houses the Beta JD3 and all services. The boatman's cabin finishes off this very complete traditional boat, with the all important stove for winter cruising. Not to be missed.

Printed on 8th October 2023
