SOLD

Morning Star £44950

East Lancs Engineering 1998 - 50ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools

Morning Star is a fine example of a boat that has been in the same ownership for many years and has been consistently maintained to a high standard. Although 50' she has the feel of much bigger boat and could easily be used as a residential boat or for extended cruising as the present owners have used her. The boat is a traditional style, but with a larger than normal slide over the back giving a semi trad feel. At the bow is a good size saloon with a Kabola Old Dutch stove with a back boiler providing heat to the radiators. The galley has a Vanette cooker, 12v Inlander fridge as well as a Nature pure water filter under the sink. The bathroom is off corridor and has a shower, Thetford cassette toilet and sink in a vanity unit. The bedroom has a fixed double with drawers under, overhead cupboards and large wardrobe with sliding doors. Nice, well maintained boat which is ready to go.

Printed on 20th October 2023
