Reeves
2006 - 57ft - Traditional Stern
Narrowbeam boat lying at Mercia

Hunza is a gas free, 57' trad stern boat with portholes. She is a boat of pedigree, with steel work by Reeves and a beautifully crafted interior by the show winning Kingsground. The layout is the ever popular reverse layout, but with a slight twist in that the saloon is at the stern, followed by the galley, pullmans dinette, walk through bathroom and bedroom. In between the bathroom and bedroom is a very useful wardrobe / utility area with lots of hanging space as well as an area housing the washing machine. The specification includes 4 AGM batteries, Vetus bow thruster, 3 recently installed solar panels, Victron Multiplus Inverter charger and much more. Hunza is a well proven gas free livaboard boat.

Printed on 6th December 2023
