**RW Davies & Sons Ltd  
1988 - 65ft - Traditional Stern  
Narrowbeam boat lying at Mercia**

Conger was built by the well known builders R.W Davis & Sons, builders of many fine traditional boats. As you would expect the layout is traditional with a good size salon at the front. There is a multi fuel stove and an as new(2022) L shape sofa bed. The galley has a good number of floor units as well as wall units. Appliances include a washing machine. The bathroom has a shower , sink in a vanity unit and cassette toilet. The bedroom has a fixed double bed with storage under, wardrobe and overhead cupboard. Moving into the engine room you cannot fail not be impressed by the 4 cylinder Gardner 4LW taking pride of place, along side is a generator, making this a great off grid boat. At the stern is the essential boatman's cabin an ideal separate cabin. There is a stove to keep you warm when cruising on those chilly winter days. Stretched in 1996 to present 65'. Surveys from 2018 & 2022.
