Harlequin £67950

Tyler Wilson 2012 - 50ft - Traditional Stern Narrowbeam boat lying at Mercia

Harlequin is best described as being in as new condition, both externally and internally. With steel work by Tyler Wilson and a lovely fitout by an experienced wooden boat builder, she really is a very nice boat, ready to cruise and enjoy. Although Harlequin is a traditional style boat, she has a large slide over the stern area which gives the benefits of a semi traditional boat. From the cratch covered bow area you enter the saloon which has a number of cabinets, including a floor to ceiling cupboard. Seating is either side with storage under, there are 2 tables with desmo legs. Heating is via a multi fuel stove. The galley has excellent storage with bespoke joinery. Off corridor bathroom with 4' bath with shower over, cassette toilet and sink in vanity unit with cupboard above. The bedroom has a fixed double with storage under and good size wardrobe. Excellent boat in tip top condition.
