ABC 2012 - 65ft - Traditional Stern Narrowbeam boat - Outlying

Instigator is a 65' traditional stern narrowboat, hull and superstructure by ABC with an owner fitout to a good standard. The layout is reverse, not often found on a trad stern boat. There is a slight twist in the layout as the salon is at the stern, followed by a pullmans dinette and then a very well equipped galley. The bathroom is a wet room and has a shower, macerator toilet, towel rail and sink in a vanity unit. The owner spent along time creating a great look with the tiled walls. The first bedroom comes next with a wider than normal fixed double bed, wardrobes and dressing table with appliances under. Another double bedroom follows. Amongst this boats many features is an air conditioning unit, not commonly found on a narrowboat. The boat has not seen much use and has only clocked up 130 hours. Outlying boat, please call for details on how to view.
