Reading Marine / Reeves
2007 - 59ft - Semi-traditional Stern
Narrowbeam boat lying at Mercia

Firoza is a 59' one owner boat, with shell and superstructure by Reeves and a fine fitout by Reading Marine. Firoza would make a good livaboard or long term cruising boat. Entering from the bow which is covered by a cratch cover you enter the saloon through glazed stable doors. The saloon is a good size and has a multi fuel stove, TV cupboard, drop leaf table with chairs stored within and a custom sofa which extends into a double berth for guests. The galley has a good range of floor units, one of which has a space saving magic corner, there is also a ceiling hung cupboard. The bathroom is a walk through and has a corner bath with shower over, sink in a vanity unit with mirror above and macerator toilet. The bedroom has a cross bed with wardrobes either side, dressing table and en-suite with cassette toilet and wash basin. Please note the bow thruster has been declared as not working.

Printed on 9th June 2024

Firoza
