### Dave Harris 2006 - 69ft - Traditional Stern Narrowbeam boat lying at Mercia

In the world of traditional boats they do not come get much better than Blanche 3. Blanche was built by Dave Harris, a name synonymous with quality traditional boats for many years. This boat with her fine joshier bow and gently up swept stern, combined with the correct amount of tumbelhome makes for a boat that is a pleasure to own and steer. The standard of the woodwork on the interior does not disappoint, this is a boat of quality. The boat comprises of a large saloon area, well equipped galley, an off corridor bathroom which has to be seen to appreciate how much has gone into creating this art deco experience. The bedroom has a cross bed, wardrobes and overhead shelf. The engine room houses the Gardner 3LW and all services. The boatman's cabin is a real treat, beautifully decorated in the traditional way. Lovely boat, a real head turner, viewing strongly recommended.
