Liverpool Boat Co 1996 - 60ft - Cruiser Stern Narrowbeam boat lying at Mercia

Entre Nous is a comfortable 60' cruiser stern narrowboat, with a very modern contemporary feel, successfully used as a residential boat by the present owners. The boat has been well maintained as demonstrated by the exterior paintwork. Entering the boat from the cruiser stern which has seating, you enter the galley which is forward of a small utility room, great hanging space. The galley has a range of modern units either side with solid wood work tops. The saloon is an excellent size and has a comfortable sofa bed and tiled fire place with a multi fuel stove. The bathroom is a walk through, with cassette toilet, sink in a vanity unit, electric towel rail and shower. Large forward bedroom with fixed double with storage under. There is also a good size dressing table with drawers. Nice comfortable boat which is ready to move onto. Call to make an appointment to view.
