Trinity £49950

Southwest Durham 2004 - 54ft - Cruiser Stern Narrowbeam boat lying at Mercia

Trinity is a 54ft boat that will do the whole system and would be a great livaboard boat as well as leisure. Entering the boat by the cruiser style stern is the saloon with cupboard space either side of the stern doors, Lockgate Diesel stove with back boiler that heats the three radiators through out the boat, L shape dinette that converts into a double bed and side hatch. The U shape galley has a oven/grill with a four burner hob above, sink/drain, 12v fridge with freezer compartment, microwave and a fold down table opposite for extra work surface space. Next is the walk through bathroom with a quadrant shower, sink on vanity unit and a Mansfield Pump out toilet and radiator. At the stern is the bedroom with a fixed double bed with storage under, over head locker, two wardrobes either side of the bow doors and a radiator. 3 solar panels added in 2017.

Printed on 11th April 2024
