Dave Clarke 1992 - 36ft - Traditional Stern Narrowbeam boat lying at Dunchurch Pools

Amazon is a an ideal first time boat for weekends and holidays, with the equipment on the boat she could also be used for extended cruising. The way the boat is laid out gives the feel of a much larger boat, this is also helped by the light painted interior. From the bow which has a cratch and cover you enter the saloon area which has seating either with storage under and a fitting in the floor for a desmo leg to support a table for dining. The seating will convert into a full width of boat bed. In the saloon there is also a Morso multi fuel stove and shelf with a TV. The galley has a good selection units either side of a central passage way which leads into the bathroom. The bathroom has a bath with shower over, sink in a vanity unit and a new toilet(still in its box) At the stern is further storage, some of which could be used for a washing machine. Recent survey available.
