**SOLD**

**Diana**  
**£59950**

**Stoke On Trent Boatbuilders**  
**2006 - 60ft - Semi-traditional Stern**  
**Narrowbeam boat lying at Dunchurch Pools**

Diana was built by the very well respected Stoke On Trent Boat Builders. The quality is evident from the very shapely bow and the quality of the internal finish. The layout is the ever popular reverse layout, but there are a few changes in the internal layout not often seen on other boats. Entering the galley from the semi trad stern you have a compartment on the starboard side which could be used as a toilet compartment or just for general hanging or storage. The galley is well laid out with good storage and excellent work top space. A Pullman dinette is followed by the comfortable saloon with its multi fuel stove and TV cabinet & 2 Lazy Boy chairs. A central passage way leading into the bedroom has toilet compartment and separate shower compartment with a wash basin opposite. This area can be closed off to create an on suite to the bedroom, making the bedroom a very private room.
