### **Barry Hawkins 2008 - 60ft - Cruiser Stern Narrowbeam boat lying at Dunchurch Pools**

Thisldome is a very well built 60' cruiser stern narrowboat built by Barry Hawkins, a builder who built many fine boats over the years. The wood work is intricate and to a high standard. The layout is a mix of reverse and traditional with a cosy saloon at the bow befitting from a new Morso stove set in a new fireplace. The bathroom is a walk through wet room, which if necessary could be converted to a conventional bathroom with a shower cubicle. A pullmans dinette provides the perfect dining area as well as making up into a bed for guests. The galley is at the stern and is well equipped for residential living with appliances including a washing machine, Shoreline fridge freezer and microwave. This is a boat with bags of character, built by a well respected builder, ideal residential boat. Survey completed, all works done from the survey.
