## Icing £46950

### **MCC / Wyvern Shipping Company 2003 - 59ft - Cruiser Stern Narrowbeam boat lying at Mercia**

Icing came about because the owners had many happy hire boat holiday with the well known hire company Wyvern Shipping. They were so impressed with their boats that when the day came to purchase their own boat they commissioned MCC to do the steel work along the lines of a Wyvern Shipping boat, then commission Wyvern shipping to do the fit out. The large well deck area has seating/lockers either side and a very large locker for bikes etc. The layout is traditional with the saloon at front with many nice features, followed by a good size galley. The bathroom is off the passage way, followed by the bedroom at the stern. The stern deck has 2 lockers either side, and a very clean, easy to access engine bay. This has been a much loved boat as can be seen by the overall condition both inside and out.
