Water Gypsy £58950

Stephen Goldsbrough / MCC 2004 - 60ft - Traditional Stern Narrowbeam boat lying at Droitwich Spa

Water Gypsy is a 60' traditional stern narrowboat, benefiting from a larger than normal slide over giving a larger standing area on the stern. The fit out was by the well respected Stephen Goldsbrough on a MCC shell. The layout is traditional with a good size Saloon at the front, followed by a well laid out Galley with bespoke units topped with granite work tops. The Bathroom is off the passage way and has a macerator toilet, sink in a vanity unit and shower. This is followed by the large Bedroom which has a cross bed with bed side cabinets either side and wardrobes. The engine compartment at the stern houses all the services, including the washing machine. This a well proven livaboard boat, of a length which makes for comfortable living.
