G.Mullis 2004 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia

Majestic is a 60' trad style boat with the engine room at the stern. The stern deck is larger than normal for a trad boat, making this a more sociable stern. Entering from the bow you enter the saloon area. Heating is provided by a range style stove, thus providing heat as well able to boil a kettle and cook a meal in the oven. There is a sofa bed and freestanding drop leaf table for dining. The galley is a good size and has a new Statesman cooker and 12v fridge. The bathroom is walkthrough and has a bath with shower over, sink in a vanity unit and pumpout toilet. The bedroom is forward of the engine room and has a double bed with storage under and wardrobes. Majestic was built by a boat builder repairer for his own use, the fitout is quite basic but offers the opportunity to improve.
