Duke £66950

Barry Hawkins 2006 - 60ft - Traditional Stern Narrowbeam boat lying at Mercia

Duke is a lovely example of a Barry Hawkins Northwich style boat. Duke has been previously used for high end afternoon tea cruises, currently licensed for up to 12 passengers. The under cloth area could be used in a number of ways including without too much trouble being converted for leisure use/residential use, whilst retaining the look of a very traditional boat. At the stern is the lovely traditional back cabin. Forward of the back cabin is the engine room housing the Lister JP2 and all services. The under cloth area is accessed at present via steps from the side of the boat. This area comprises of a fully functioning galley followed by a large table able to seat 12 for afternoon teas. At the front is a small cabin with cross bed with sink in a vanity unit with a toilet opposite. Duke offers someone the opportunity to work on the water or create a unique livaboard boat.

Printed on 27th April 2025
