Sea otter

2003 - 31ft - Cruiser Stern

Narrowbeam boat lying at Dunchurch Pools

English Rose is a lovely example of a 31' Sea Otter. These boats despite their size manage to build in all the features you need to go on a comfortable cruise. The stand out feature of these boat is the aluminium construction meaning there is far less in the way of maintenance.

Entering from the bow which is covered by a cratch cover you step down into the saloon area which has seating either side. This area very easily makes up into a double bed or be used as 2 singles whilst also having storage under. Opposite the galley is a 2 seater pullmans with storage under, this will convert into a single berth. The galley has a good number of floor units. Appliances include a Caprice cooker and Shoreline fridge. The bathroom which is back from the galley has a cassette toilet, sink in a vanity unit with mirror and shelving above and shower.
