Liverpool Boat Co

2005 - 56ft - Traditional Stern

Narrowbeam boat lying at Dunchurch Pools Marina

Arwen is a very comfortable, go anywhere traditional stern narrow boat, built by the Liverpool Boat company in 2005. Arwen has the feel of a larger boat incorporating a pullmans dinette while still having a good size salon area. Being a traditional layout you enter the saloon area from the well deck, which benefits from having a cratch and cover. The saloon area has a multi fuel stove to one side of the bow doors and a TV cabinet on the opposite side. There are 2 comfortable chairs which are included in the inventory. There next follows a pullmans dinette followed by a well laid out galley with side doors opposite. The bathroom is off corridor and has a cassette toilet, sink in a vanity unit and shower. At the stern is the bedroom with its double bed with drawers under, overhead cupboards and wardrobe, a nice feature is the dressing table. Really comfortable boat, ideal residential.
