Esio Trot £84950

Aqua Narrowboats / Colecraft 2013 - 60ft - Cruiser Stern Narrowbeam boat lying at Dunchurch Pools Marina

Esio Trot is a high quality built boat combining 2 of the best names in the boat building business. The high quality fitout is by Aqua Narrowboats, well known to us at NUBC and steel work by one of the best known shell fabricators, Colecraft. This boat was bespoke built for the present owners in 2013. The layout is the ever popular reverse with the galley accessed via steel stable doors from the semi cruiser stern. A well laid out galley has all the appliances needed for long term cruising or residential use. Forward of the galley is a pullmans dinette, followed by a comfortable saloon area with its feature fireplace with Lock Gate Reflex stove. The bathroom is a walk through, followed by easy to make up cross bed with wardrobes either side and dressing table. This is a well built high quality boat, would make a great livaboard or extended cruiser.
