Martha £44950

John White 1998 - 40ft - Semi-traditional Stern Narrowbeam boat lying at Droitwich Spa

Martha is a very well cared for 40' semi trad style narrowboat. Martha was built in 1998 by John White and benefits from a recently fitted new Beta engine with hospital silencer in 2021. From the forward deck area you enter the saloon with seating down one side and multi fuel stove. The galley has a good range of floor and wall units with solid wood work tops, there is Caprice cooker and a Montpellier fridge with freezer compartment, all appliances look as new. The bathroom is off corridor and has a shower cubicle, cassette toilet and sink in a vanity unit. At the stern is the bedroom with its fixed 3/4 bed with storage under, wardrobe and shelf over. Its not easy to find a boat of this length in such good condition, which also benefits from a light modern feel inside.
