Destinys Dream £44950

Mike Christian 2011 - 57ft - Traditional Stern Narrowbeam boat lying at Droitwich Spa

Destinys Dream has been priced to reflect the paint work. The interior and the spec and age of this boat reflects a boat in a much higher price bracket. At 57' long this boat will navigate all the waterways in comfort, matched with a high specification for residential or extended cruising. The style of boat is traditional, but befitting from a large slide over the stern giving the feel of a semi trad. entering from the bow you step down into the saloon area which has a fold out sofa, multi fuel stove and TV cupboard. The galley has a full range of appliances and side doors either side. The bathroom is off the passage way, followed by a good size bedroom at the stern with fixed bed with storage under, overhead cupboard and wardrobes. A pair of doors separate the bedroom from the engine compartment/stern area.
