Arrietty £15000

Builder not confirmed
1979 - 44.11ft - Traditional Stern
Narrowbeam boat lying at Droitwich Spa

Arrietty is priced to reflect some work needs to be done, so all offers will be seriously considered. Arrietty benefits from what looks like a recently installed engine, having done only 435 hours, the boat also benefits from having 2 solar panels, Inverter and battery charger. The layout is traditional with the saloon at the front. In the saloon there is an L shape dinette which will also convert for sleeping, and also has storage under, shelves and a multi fuel stove. The galley has a Statesman cooker, which looks as new and Dometic fridge. The bathroom is off the passage way and has a pumpout toilet, shower, and sink in a vanity unit with mirror above. At the stern is the bedroom which has a fixed double bed with storage under and wardrobe. Finally the engine compartment housing the Vetust engine and all services.

Printed on 11th July 2025
