**Darren Aldridge / Jonathan Wilson
2008 - 58ft - Semi-traditional Stern
Narrowbeam boat lying at Dunchurch Pools**

Catkin is a collaboration between Jonathan Wilson who built the hull and superstructure and the very talented Darren Aldridge who did the fitout. The outcome is a very individual, bespoke boat of the highest quality, which has been maintained to a very high standard. Being a traditional layout, you enter the saloon from the cratch covered well deck, complete with drop down table for dining outside. The interior is a mixture of painted panels, complimented by oak trims and a beamed ceiling. The cabinet work is curved with narrow t&g oak giving a very individual look. From the front there is a very comfortable saloon, followed by a Pullmans dinette, galley with skylight above, off corridor bathroom and bedroom. The bedroom is obscured from the semi trad stern by a small rear lobby area. Catkin is a very individual boat full of charm and character.
