Marrick £59950

David Forth / Jonathan Wilson 2002 - 57ft - Semi-traditional Stern Narrowbeam boat lying at Mercia

Marrick is a 57' semi trad style narrowboat, hull & superstructure by Jonathan Wilson and a delightful bespoke fit-out by David Forth Boat builders. This boat has been well cared for the last 15 years by the present owners, as reflected in the exterior paintwork and crisps interior. The forward saloon has 2 bed chairs, TV cupboard, Kabola diesel stove with back boiler and pullmans dinette. The builder has utilized every bit of storage space as reflected in the under gunwale cupboards, a feature throughout this well thought out boat. The galley has an Inlander fridge and vanette cooker and hob. The bathroom is off corridor, followed by the bedroom which has a fixed bed with drawers under, overhead cupboards and wardrobe. Marrick is a nice mix of modern and traditional with painted cabin sides and ceiling, complimented by oak trims and a beamed ceiling. Tonneau cover also with boat.
